

Bta.

Jaume Ribera

- Doctor of Industrial Engineering, Polytechnic University of Catalunya.
- Doctor of Philosophy (Industrial and Systems Engineering), University of Florida
- Master of Sciences (Operations Research), University of Florida
- Professor of Industrial Engineering, Polytechnic University of Catalunya (currently on leave of absence)

Jaume Ribera is professor of Operations Management at IESE Business School, in Spain, and holds the Port of Barcelona Chair of Logistics at CEIBS in Shanghai, China. He was awarded a Fulbright fellowship to pursue doctoral studies in the US. He holds an M.Sc. in Operations Research and a Ph. D. in Mathematical Systems Theory from the University of Florida and a Dr. Eng. in Industrial Engineering from the Polytechnic University of Catalonia, where he is Associate Professor (currently on leave of absence). He is also on the Faculty of the Institute for Media and Entertainment, New York.

He was Deputy Dean of Faculty at IESE Business School from 1993-2001. He is the President of the European Operations Management Association and was secretary of the U.S. Operations Management Association (1992-97). He serves on the Editorial Board of the International Journal of Operations and Production Management and on the Editorial Board of the Harvard Business Review China. His current research interests lie in the areas of operations improvement management, health systems management and project management. He has published teaching materials (case studies, technical reports and electronic workbooks), academic research (Transportation Science, International Journal of Operations and Production Management, etc.), and casebooks and textbooks on these topics.

He has been active in consultancy in supply chain management, project management and has extensive experience working with private and public companies in different sectors (textile, pharmaceutical, automotive, electrical components, etc.) He has also participated as consultant and project manager in health sector management projects in the EU, Central and Eastern Europe, and South America with private, public, European Union and World Bank financing. He is the Vice-president of the Board of Caixa Terrassa, a savings institution in Spain.
